# Provider Participation Requirements (Hospice)

## Managed Care Enrolled Members (Hospice)

Most individuals enrolled in the Medicaid program for Medicaid and FAMIS have their services furnished through DMAS contracted Managed Care Organizations (MCOs) and their network of providers. All providers must check eligibility (Refer to Chapter 3) prior to rendering services to confirm which MCO the individual is enrolled. The MCO may require a referral or prior authorization for the member to receive services. All providers are responsible for adhering to this manual, their provider contract with the MCOs, and state and federal regulations.

Even if the individual is enrolled with an MCO, some of the services may continue to be covered by Medicaid Fee-for-Service. Providers must follow the Fee-for-Service rules in these instances where services are “carved out.” The carved-out services vary by managed care program. For example, where one program (Medallion 3.0) carves out Early Intervention, the CCC Plus program has this service as the responsibility of the MCO. Refer to each program’s website for detailed information and the latest updates.

There are several different managed care programs (Medallion 3.0, CCC, CCC Plus, and PACE) for Medicaid individuals. DMAS has different MCOs participating in these programs. For providers to participate with one of the DMAS-contracted managed care organizations/programs, they must be credentialed by the MCO and contracted in the MCO’s network. The credentialing process can take approximately three (3) months to complete. Go to the websites below to find which MCOs participate in each managed care program in your area:

- Medallion 3.0:

[http://www.dmas.virginia.gov/Content\\_pgs/mc-home.aspx](http://www.dmas.virginia.gov/Content_pgs/mc-home.aspx)

- Commonwealth Coordinated Care (CCC):

[http://www.dmas.virginia.gov/Content\\_pgs/mmfa-isp.aspx](http://www.dmas.virginia.gov/Content_pgs/mmfa-isp.aspx)

- Commonwealth Coordinated Care Plus (CCC Plus):

[http://www.dmas.virginia.gov/Content\\_pgs/mltss-proinfo.aspx](http://www.dmas.virginia.gov/Content_pgs/mltss-proinfo.aspx)

- Program of All-Inclusive Care for the Elderly (PACE):  
[http://www.dmas.virginia.gov/Content\\_atchs/ltc/WEB%20PAGE%20FOR%20PACE%20Sites%20in%20VA.pdf](http://www.dmas.virginia.gov/Content_atchs/ltc/WEB%20PAGE%20FOR%20PACE%20Sites%20in%20VA.pdf)

At this time, individuals enrolled in the three HCBS waivers that specifically serve individuals with intellectual and developmental disabilities (DD) (the Building Independence (BI) Waiver, the Community Living (CL) Waiver, and the Family and Individual Supports (FIS) Waiver) will be enrolled in CCC Plus for their non-waiver services only; the individual's DD waiver services will continue to be covered through the Medicaid fee-for-service program.

DMAS OFFERS A WEB-BASED INTERNET OPTION TO ACCESS INFORMATION REGARDING MEDICAID OR FAMIS MEMBER ELIGIBILITY, MCO ENROLLMENT, CLAIMS STATUS, PAYMENT STATUS, SERVICE LIMITS, SERVICE AUTHORIZATIONS, AND ELECTRONIC COPIES OF REMITTANCE ADVICES. PROVIDERS MUST REGISTER THROUGH THE VIRGINIA MEDICAID WEB PORTAL IN ORDER TO ACCESS THIS INFORMATION. THE VIRGINIA MEDICAID WEB PORTAL CAN BE ACCESSED BY GOING TO: [WWW.VIRGINIAMEDICAID.DMAS.VIRGINIA.GOV](http://WWW.VIRGINIAMEDICAID.DMAS.VIRGINIA.GOV). IF YOU HAVE ANY QUESTIONS REGARDING THE VIRGINIA MEDICAID WEB PORTAL, PLEASE CONTACT THE CONDUENT GOVERNMENT HEALTHCARE SOLUTIONS SUPPORT HELP DESK TOLL FREE, AT 1-866-352-0496 FROM 8:00 A.M. TO 5:00 P.M. MONDAY THROUGH FRIDAY, EXCEPT HOLIDAYS. THE MEDICAL AUDIO RESPONSE SYSTEM PROVIDES SIMILAR INFORMATION AND CAN BE ACCESSED BY CALLING 1-800-884-9730 OR 1-800-772-9996. BOTH OPTIONS ARE AVAILABLE AT NO COST TO THE PROVIDER.

## **Participating Provider (Hospice)**

A participating hospice provider is a hospice which has been certified by the Virginia Department of Health (VDH) and by Title XVIII (Medicare) as a provider of hospice services and which has a current, signed participation agreement with the Department of Medical Assistance Services (DMAS).

## **Provider Enrollment (Hospice)**

Any provider of services must be enrolled in the Medicaid Program prior to billing for any services provided to Medicaid recipients. All providers must sign the appropriate

Participation Agreement via electronic signature on the online enrollment application or sign the paper enrollment application and return it to the Provider Enrollment and Certification Unit. The authorized agent of the provider must sign an agreement for a group practice, hospital, or other agency or institution. The Virginia Medical Assistance Program must receive prior written ratification of the identity of any designated authorized representative and the fact that a principal-agent relationship exists.

Upon completion of the enrollment process, the ten-digit National Provider Identifier (NPI) number that was provided with the enrollment application will be assigned as the provider identification number. This number must be used on all claims and correspondence submitted to Medicaid.

DMAS is informing the provider community that NPIs may be disclosed to other Healthcare Entities pursuant to CMS guidance. The NPI Final Rule requires covered healthcare providers to disclose their NPIs to any entities that request the NPIs for use of the NPIs in HIPAA standard transactions. DMAS may share your NPI with other healthcare entities for the purpose of conducting healthcare transactions, including but not limited to Referring Provider NPIs and Prescribing Provider NPIs.

## **Requests For Enrollment (Hospice)**

All providers who wish to participate with Virginia Medicaid are being directed to complete their request via the online enrollment through our Virginia Medicaid web-portal. If a provider is unable to enroll electronically through the web, they can download a paper application from the Virginia Medicaid web-portal and follow the instructions for submission. Please go to [www.virginiamedicaid.dmas.virginia.gov](http://www.virginiamedicaid.dmas.virginia.gov) to access the online enrollment system or to download a paper application.

DMAS strongly encourages providers to enroll or make updates electronically via our web portal. An application for participation submitted on paper will add additional time to the processing of your enrollment and to your request to update your provider file.

**Please note: If you are planning to enroll via the paper enrollment process, DMAS will only accept the provider enrollment applications that have the provider screening questions listed. Previous versions of the provider enrollment applications that do not have the provider screening regulation questions will not**

**be accepted and will be rejected with a request to submit the version that is currently posted on the Virginia Medicaid Web Portal at [www.viriniamedicaid.dmas.virginia.gov](http://www.viriniamedicaid.dmas.virginia.gov).**

If you have any questions regarding the online or paper enrollment process, please contact the Xerox Provider Enrollment Services at toll free 1-888-829-5373 or local 1-804-270-5105.

## **Provider Screening Requirements**

All providers must now undergo a federally mandated comprehensive screening before their application for participation is approved by DMAS. Screening is also performed on a monthly basis for any provider who participates with Virginia Medicaid. A full screening is also conducted at time of revalidation, in which every provider will be required to revalidate at least every 5 years.

The required screening measures are in response to directives in the standards established by Section 6401(a) of the Affordable Care Act in which CMS requires all state Medicaid agencies to implement the provider enrollment and screening provisions of the Affordable Care Act (42 CFR 455 Subpart E). These regulations were published in the Federal Register, Vol. 76, February 2, 2011, and were effective March 25, 2011. The required screening measures vary based on a federally mandated categorical risk level. Providers categorical risk levels are defined as “limited”, “moderate” or “high”. Please refer to the table at the end of this chapter for a complete mapping of the provider risk categories and application fee requirements by provider class type.

### Limited Risk Screening Requirements

The following screening requirements will apply to limited risk providers: (1) Verification that a provider or supplier meets any applicable Federal regulations, or State requirements for the provider or supplier type prior to making an enrollment determination; (2) verification that a provider or supplier meets applicable licensure requirements; and (3) federal and state database checks on a pre- and post-enrollment basis to ensure that providers and suppliers continue to meet the enrollment criteria for their provider/supplier type and that they are not excluded from providing services in federally funded programs.

### Moderate Risk Screening Requirements

The following screening requirements will apply to moderate risk providers: Unannounced pre-and/or post-enrollment site visits in addition to those screening requirements applicable to the limited risk provider category listed above. The screening requirements listed in this section are to be performed at the time of initial enrollment and at the time of revalidation, which is at least every 5 years.

### High Risk Screening Requirements

In addition to those screening requirements applicable to the limited and moderate risk provider categories listed above, providers in the high risk category may be required to undergo criminal background check(s) and submission of fingerprints. These requirements apply to owners, authorized

or delegated officials or managing employees of any provider or supplier assigned to the “high” level of screening. At this time, DMAS is awaiting guidance from CMS on the requirements of criminal background checks and finger prints. All other screening requirements excluding criminal background checks and finger prints are required at this time.

### Application Fees

All newly enrolling (including new locations), re-enrolling, and reactivating institutional providers are required to pay an application fee. If a provider class type is required to pay an application fee, it will be outlined in the Virginia Medicaid web portal provider enrollment paper applications, online enrollment tool, and revalidation process. **The application fee requirements are also outlined in Appendix section of this provider manual.**

The Centers for Medicare and Medicaid Services (CMS) determine what the application fee is each year. This fee is not required to be paid to Virginia Medicaid if the provider has already paid the fee to another state Medicaid program or Medicare, or has been granted a hardship approval by Medicare.

Providers may submit a hardship exception request to CMS. CMS has 60 days in which to approve or disapprove a hardship exception request. If CMS does not approve the hardship request, then providers have 30 days from the date of the CMS notification to pay the application fee or the application for enrollment will be denied.

An appeal of a hardship exception determination must be made to CMS as described in 42 CFR 424.514.

### Out-of-State Provider Enrollment Requests

Providers that are located outside of the Virginia border and require a site visit as part of the Affordable Care Act are required to have their screening to include the passing of a site visit previously completed by CMS or their State’s Medicaid program prior to enrollment in Virginia Medicaid. If your application is received prior to the completion of the site visit as required in the screening provisions of the Affordable Care Act (42 CFR 455 Subpart E) by the entities previously mentioned above, then the application will be rejected.

## **Revalidation Requirements**

All providers will be required to revalidate at least every 5 years. The revalidation of all existing providers will take place on an incremental basis and will be completed via our web portal.

Registration into the Virginia Medicaid Web Portal will be required to access and use the online enrollment and revalidation system.

All enrolled providers in the Virginia Medicaid program will be notified in writing of a revalidation date and informed of the new provider screening requirements in the revalidation notice. If a provider is currently enrolled as a Medicare provider, DMAS may rely on the enrollment and screening facilitated

by CMS to satisfy our provider screening requirements.

## Ordering, Referring, and Prescribing (ORP) Providers

Code of Federal Regulations 455:410(b) states that State Medicaid agencies must require all ordering or referring physicians or other professionals providing services under the State plan or under a waiver of the plan to be enrolled as participating providers.

The ACA requires ordering, referring, and prescribing providers to enroll only to meet new ACA program integrity requirements designed to ensure all orders, prescriptions or referrals for items or services for Medicaid beneficiaries originate from appropriately licensed practitioners who have not been excluded from Medicare or Medicaid. The only exception to this requirement is if a physician is ordering or referring services for a Medicaid beneficiary in a risk-based managed care plan, the provider enrollment requirements are not applicable to that ordering or referring physician.

If a provider does not participate with Virginia Medicaid currently but may order, refer or prescribe to Medicaid members they must now be enrolled to ensure claims will be paid to the servicing provider who is billing for the service.

As a servicing provider, it is essential to include the National Provider Identifier (NPI) of any ORP on all claims to ensure the timely adjudication of claims.

**Please go to Chapter V of this provider manual to review the new billing procedures related to the implementation of these new screening requirements.**

## Conditions of Participation

Providers of hospice services must comply with all of the following conditions of participation:

### Services

Employees who provide hospice services must be licensed, certified, or registered in accordance with applicable federal or state laws;

The hospice must designate an interdisciplinary team composed of a doctor of medicine or osteopathy, a registered nurse, a social worker, and a pastoral or other counselor who are employees of the hospice and who provide or supervise the care and services offered by the hospice.

The interdisciplinary team is responsible for participation in the establishment of the plan of care, provision or supervision of hospice care and

services, periodic review and updating of the plan of care for each individual receiving hospice care, and establishment of policies governing the day-to-day provision of hospice care and services.

The hospice must designate a registered nurse to coordinate the implementation of the plan of care for each patient.

A written plan of care must be established and maintained for each individual admitted to the hospice program, and the care provided to an individual must be in accordance with the plan.

The hospice must make nursing services, physician services, drugs, and biologicals routinely available on a 24-hour basis. The hospice must make all other covered services available on a 24-hour basis to the extent necessary to meet the needs of individuals for care that is reasonable and necessary for the palliation and management of the terminal illness and related conditions.

All services must be provided in a manner consistent with accepted standards of practice.

### Professional Management

A hospice must have a governing body that assumes full legal responsibility for determining, implementing, and monitoring policies governing the hospice's total operation. The governing body must designate an individual who is responsible for the day-to-day management of the hospice program.

The medical director must be a hospice employee who is a doctor of medicine or osteopathy who assumes overall responsibility for the medical component of the hospice's patient care program.

- A hospice may arrange for another individual or entity to furnish services to the hospice's patients. If services are provided under contractual arrangement, the hospice must:

- 1) assure the continuity of patient/family care in home, outpatient, and inpatient settings, and
- 2) have a legally binding written agreement for the provision of arranged services which includes the identification of the services to be provided; a stipulation that services may be provided only with the express authorization of the hospice; the manner in which the contracted services are coordinated, supervised, and evaluated by the hospice; the delineation of the roles of the hospice and the contractor in the admission process, patient/family assessment, and the interdisciplinary group care conferences; requirements for documenting that services are furnished in accordance with the agreement; and the qualifications of the personnel providing the services.

The hospice must retain professional management responsibility for contracted services and ensure that they are furnished in a safe and effective manner by qualified persons and in accordance with the patient's plan of care.

The hospice must ensure that inpatient care is furnished only in a facility that has a legally binding written agreement with the hospice. The hospice must furnish the contractor with a copy of the patient's plan of care and specify the inpatient services to be furnished. The inpatient provider must have established policies that are consistent with those of the hospice and must agree to abide by the patient care protocols established by the hospice for its patients. The medical record must include documentation of all inpatient services and events, and a discharge summary must be provided to the hospice. The agreement must specify the party responsible for the implementation of the provisions of the agreement. The hospice retains responsibility for appropriate hospice care training of the personnel who provide care under the agreement.

### Quality Assurance

A hospice must conduct an ongoing, comprehensive, integrated, self-assessment of the quality and appropriateness of care provided, including inpatient care, home care, and care provided under contractual

arrangements. These findings are used by the hospice to correct identified problems and to revise hospice policies, if necessary.

Those responsible for quality assurance must implement and report on activities and mechanisms for monitoring the quality of patient care, identify and resolve problems, and make suggestions for improving patient care.

## **Documentation Requirements (Hospice)**

Medical records must substantiate the services billed to DMAS by the hospice. The medical records must be accurate and appropriate and must include the following:

- the initial and subsequent certifications

- the plan of care

- identification data

- authorization forms

- pertinent medical history, diagnoses, and prognosis

- complete documentation of all services and events (including evaluations, treatments, progress notes, etc.)

- physician certification statements of the terminal illness of each recipient

- election statements from each recipient

The record must identify the patient on each page. Entries must be signed and dated (month, day, and year) by the author, followed by professional title. Care rendered by personnel under the supervision of the provider, which is in accordance with Medicaid policy, must be countersigned by the responsible licensed participating provider. All services provided, as well as the plan of care, must be entered in the record.

Services not specifically documented in the patient's medical record as having been rendered will be deemed not to have been rendered and no reimbursement will be provided.

## Participation Requirements

All providers enrolled in the Virginia Medicaid Program must adhere to the conditions of participation outlined in their participation agreements. Providers approved for participation in the Medicaid Program must perform the following activities as well as any others specified by DMAS:

- Immediately notify Provider Enrollment Services Unit, in writing, whenever there is a change in the information that the provider previously submitted. For a change of address, notify PES prior to the change and include the effective date of the change;
- Ensure freedom of choice to members in seeking medical care from any institution, pharmacy, or practitioner qualified to perform the service(s) required and participating in the Medicaid Program at the time the service is performed;
- Ensure the member's freedom to reject medical care and treatment;
- Comply with Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. §§ 2000d through 2000d-4a), which requires that no person be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance on the ground of race, color, or national origin;
- Provide services, goods, and supplies to members in full compliance with the requirements of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), which states that no otherwise qualified individual with a disability shall, solely by reason of her or his disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. The Act requires reasonable accommodations for certain persons with disabilities;
- Provide services and supplies to members of the same quality and in the same mode of delivery as provided to the general public;
- Charge DMAS for the provision of services and supplies to members in amounts not to exceed the provider's usual and customary charges to the general public;
- Accept as payment in full the amount reimbursed by DMAS. 42 CFR § 447.15 provides that a "State Plan must provide that the Medicaid agency must limit participation in the Medicaid Program to providers who accept, as payment in full, the amount paid by the agency ...." The provider should not attempt to collect from the member or the member's responsible relative(s) any amount that exceeds the usual Medicaid allowance for the service rendered. For example: If a third-party payer reimburses \$5.00 of an \$8.00 charge, and Medicaid's allowance is \$5.00, the provider may not attempt to collect the \$3.00 difference from Medicaid, the member, a spouse, or a responsible relative. The provider may not charge DMAS or a member for broken or missed appointments;
- Accept assignment of Medicare benefits for eligible Medicaid members;
- Use Medicaid Program-designated billing forms for submission of charges;

- Maintain and retain business and professional records that document fully and accurately the nature, scope, and details of the health care provided;
- In general, such records must be retained for a period of at least five years from the date of service or as provided by applicable state laws, whichever period is longer. However, if an audit is initiated within the required retention period, the records must be retained until the audit is completed and every exception resolved;
- Furnish to authorized state and federal personnel, in the form and manner requested, access to records and facilities;
- Disclose, as requested by DMAS, all financial, beneficial, ownership, equity, surety, or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions, or other legal entities providing any form of health care services to Medicaid members; and
- Hold information regarding members confidential. A provider shall disclose information in his possession only when the information is used in conjunction with a claim for health benefits or the data is necessary for the functioning of DMAS. DMAS shall not disclose medical information to the public.

### **Provider Responsibilities to Identify Excluded Individuals and Entities**

In order to comply with Federal Regulations and Virginia Medicaid policy, providers are required to ensure that Medicaid is not paying for any items or services furnished, ordered, or prescribed by excluded individuals or entities.

Medicaid payments cannot be made for items or services furnished, ordered, or prescribed by an excluded physician or other authorized person when the individual or entity furnishing the services either knew or should have known about the exclusion. This provision applies even when the Medicaid payment itself is made to another provider, practitioner, or supplier that is not excluded, yet affiliated with an excluded provider. A provider who employs or contracts with an excluded individual or entity for the provision of items or services reimbursable by Medicaid may be subject to overpayment liability as well as civil monetary penalties.

All providers are required to take the following three steps to ensure Federal and State program integrity:

1. Screen all new and existing employees and contractors to determine whether any of them have been excluded.
2. Search the HHS-OIG List of Excluded Individuals and Entities (LEIE) website monthly by name for employees, contractors and/or entities to validate their eligibility for Federal programs. See below for information on how to search the LEIE database.
3. Immediately report to DMAS any exclusion information discovered. Such information should be sent in writing and should include the individual or business name, provider identification number (if applicable), and what, if any, action has been taken to date. The information should

be sent to:

DMAS

Attn: Program Integrity/Exclusions

600 E. Broad St, Ste 1300

Richmond, VA 23219

-or-

E-mailed to: [providerexclusions@dmass.virginia.gov](mailto:providerexclusions@dmass.virginia.gov)

## **Requirements of Section 504 of the Rehabilitation Act (ARTS)**

Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), provides that no individual with a disability shall, solely by reason of the disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal assistance. As a condition of participation, each Medicaid provider has the responsibility for making provision for individuals with disabilities in the provider's programs or activities.

In the event a discrimination complaint is lodged, DMAS is required to provide to the Office of Civil Rights (OCR) any evidence regarding compliance with these requirements.

## **REQUIREMENTS OF THE CIVIL RIGHTS ACT OF 1964 (Hospice)**

All providers of care and suppliers of services under the contract with DMAS must comply with Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. §§ 2000d through 2000d-4a), which requires that no person be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance on the ground of race, color, or national origin.

## **Fraud (Hospice)**

Provider fraud is willful and intentional diversion, deceit, or misrepresentation of the truth by a provider or his agent to obtain or seek direct or indirect payment, gain, or an item of value for services rendered or supposedly rendered to recipients under Medicaid. A provider participation agreement will be terminated or denied in cases where a provider is found guilty of fraud.

Investigation of allegations of provider fraud is the responsibility of the Medicaid Fraud Control Unit in the Office of the Attorney General for Virginia. Provider records are available to personnel in this unit for investigative purposes.

## **Review and Evaluation (VS)**

Under the provisions of federal regulations, the Medical Assistance Program must provide for the continuing review and evaluation of the care and services paid through Medicaid, including the review of the utilization of the services of providers and by recipients. This function is handled by the Division of Program Compliance of the Department of Medical Assistance Services.

Provider and recipient utilization patterns to be reviewed are identified either from computerized exception reports or by referrals from agencies or individuals. Computerized exception reports for providers are developed by comparing an individual provider's billing activities with those of the provider peer group. Exception reports for recipients are developed by comparing individual recipient's medical services utilization with that of the recipient peer group. For recipients and providers who exceed the peer group averages by at least two standard deviations, an exception report for this activity is generated.

To ensure a thorough and fair review, trained professionals employed by DMAS review all cases utilizing available resources, including appropriate consultants, and make on-site reviews of medical records as necessary.

The use of statistical sampling is recognized as a valid basis for findings of fact in the context of Medicaid reimbursement. The Department utilizes a scientific random sample of paid claims for a 15-month audit period to calculate any excess payment. The number and amount of invalid dollars paid in the audit sample is compared to the total number and amount of dollars paid for the same time period, and the total amount of the overpayment is estimated from this sample.

Providers will be required to refund payments made by Medicaid if they are found to have billed Medicaid contrary to policy, failed to maintain any record or adequate documentation to support their claims, or billed for medically unnecessary services. In addition, due to the provision of poor quality services or of any of the above problems,

Medicaid may limit, suspend, or terminate the provider's participation agreement.

Providers selected for review will be contacted directly by DMAS personnel with detailed instructions. This will also apply when information is requested about a recipient or when a recipient is restricted to the physician and/or pharmacy of his or her choice because of misutilization of Medicaid services.

## **Termination of Provider Participation (Transport)**

The participation agreement will be time-limited to your licensing expiration date with revalidation every five (years). DMAS will request a renewal of the Participation Agreement prior to its expiration.

A participating provider may terminate participation in Medicaid at any time; however, written notification must be provided to the DMAS Director and Xerox-PES 30 days prior to the effective date. The addresses are:

Director

Department of Medical Assistance Services

600 East Broad Street, Suite 1300

Richmond, Virginia 23219

Virginia Medicaid - PES

PO Box 26803

Richmond, Virginia 23261-6803

DMAS may terminate a provider from participating upon thirty (30) days written notification prior to the effective date. Such action precludes further payment by DMAS for services provided to customers subsequent to the date specified in the termination notice.

The Code of Virginia, Chapter 10, Department of Medical Assistance Services, Section 32.1-325(c), mandates that "Any such (Medicaid) agreement or contract shall terminate upon conviction of the provider of a felony."

A provider convicted of a felony in Virginia or in any other of the 50 states must, within 30 days, notify the Program of this conviction and relinquish the agreement. Reinstatement will be contingent upon provisions of State law.

**Appeals of Provider Termination or Enrollment Denial:** A Provider has the right to appeal in any case in which a Medicaid agreement or contract is terminated or denied to a provider pursuant to Virginia Code §32.1-325D and E. The provider may appeal the decision in accordance with the Administrative Process Act (Virginia Code [§2.2-4000](#) et seq.). Such a request must be in writing and must be filed with the DMAS Appeals Division **within 15 calendar days** of the receipt of the notice of termination or denial.

## Termination of a Provider Contract Upon Conviction of a Felony

Section 32.1-325 D.2 of the Code of Virginia mandates that “Any such Medicaid agreement or contract shall terminate upon conviction of the provider of a felony.” A provider convicted of a felony in Virginia or in any other of the 50 states must, within 30 days, notify DMAS of this conviction and relinquish the agreement. Reinstatement will be contingent upon provisions of state law.

## Appeals of Adverse Actions

### **Definitions:**

**Administrative Dismissal** – means:

- 1) A DMAS provider appeal dismissal that requires only the issuance of an informal appeal decision with appeal rights but does not require the submission of a case summary or any further informal appeal proceedings; or
- 2) The dismissal of a member appeal on various grounds, such as lack of a signed authorized representative form or the lack of a final adverse action from the MCO or other DMAS Contractor.

**Adverse Action** – means the termination, suspension, or reduction in covered benefits or the denial, in whole or in part, of payment for a service.

**Adverse Benefit Determination** – Pursuant to 42 C.F. R. § 438.400, means, in the case of an MCO, any of the following: (i) The denial or limited authorization of a requested service, including determinations based on the type or level of service, requirements for medical necessity, appropriateness, setting, or effectiveness of a covered benefit; (ii) The reduction, suspension, or termination of a previously authorized service; (iii) The denial, in whole or in part, of payment for a service; (iv) The failure to provide services in a timely manner, as defined by the State; (v) The failure of an MCO to act within the timeframes provided in §438.408(b)(1) and (2) regarding the standard resolution of grievances and appeals; (vi) For a resident of a rural area with only one MCO, the denial of a member's request to exercise his or her right, under §438.52(b)(2)(ii), to obtain services outside the network; (vii) The denial of a member's request to dispute a financial liability, including cost sharing, copayments, premiums, deductibles, coinsurance, and other member financial liabilities. The denial,

in whole or in part, of payment for a service solely because the claim does not meet the definition of a “clean claim” at § 447.45(b) is not an adverse benefit determination.

**Appeal** – means:

- 1) A member appeal is:
  - a. For members enrolled in an MCO, in accordance with 42 C.F.R. § 438.400, defined as a request for review of an MCO’s internal appeal decision to uphold the MCO’s adverse benefit determination. For members, an appeal may only be requested after exhaustion of the MCO’s one-step internal appeal process. Member appeals to DMAS will be conducted in accordance with regulations at 42 C.F.R. §§ 431 Subpart E and 12 VAC 30-110-10 through 12 VAC 30-110-370; or
  - b. For members receiving FFS services, defined as a request for review of a DMAS adverse action or DMAS Contractor’s decision to uphold the Contractor’s adverse action. If an internal appeal is required by the DMAS Contractor, an appeal to DMAS may only be requested after the Contractor’s internal appeal process is exhausted. Member appeals to DMAS will be conducted in accordance with regulations at 42 C.F.R. §§ 431 Subpart E and 12 VAC 30-110-10 through 12 VAC 30-110-370; or
- 2) For services that have already been rendered, a provider appeal is:
  - a. A request made by an MCO’s provider (in-network or out-of-network) to review the MCO’s reconsideration decision in accordance with the statutes and regulations governing the Virginia Medicaid appeal process. After a provider exhausts the MCO’s reconsideration process, Virginia Medicaid affords the provider the right to two administrative levels of appeal (informal appeal and formal appeal) in accordance with the Virginia Administrative Process Act at Code of Virginia § 2.2-4000 *et seq.* and Virginia Medicaid’s provider appeal regulations at 12 VAC 30-20-500 *et seq.*; or
  - b. For FFS services, a request made by a provider to review DMAS’ adverse action or the DMAS Contractor’s reconsideration decision in accordance with the statutes and regulations governing the Virginia Medicaid appeal process. If an adverse action requires reconsideration before appealing to DMAS, the provider must exhaust the Contractor’s reconsideration process, after which Virginia Medicaid affords the provider the right to two administrative levels of appeal (informal appeal and formal appeal) in accordance with the Virginia Administrative Process Act at Code of Virginia § 2.2-4000 *et seq.* and Virginia Medicaid’s provider appeal regulations at 12 VAC 30-20-500 *et seq.*

**Internal Appeal** – means a request to the MCO or other DMAS Contractor by a member, a member’s authorized representative or provider, acting on behalf of the member and with the member’s written consent, for review of the MCO’s adverse benefit determination or DMAS Contractor’s adverse action. The internal appeal is the only level of appeal with the MCO or other DMAS Contractor and must be exhausted by a member or deemed exhausted according to 42 C.F.R. § 438.408(c)(3) before the

member may initiate a State fair hearing.

**Reconsideration** – means a provider’s request for review of an adverse action. The MCO’s or DMAS Contractor’s reconsideration decision is a pre-requisite to a provider filing an appeal to the DMAS Appeals Division.

**State Fair Hearing** – means the Department’s *de novo* evidentiary hearing process for member appeals. Any internal appeal decision rendered by the MCO or DMAS Contractor may be appealed by the member to the Department’s Appeals Division. The Department conducts *de novo* evidentiary hearings in accordance with regulations at 42 C.F.R. § 431 Subpart E and 12 VAC 30-110-10 through 12 VAC 30-110-370.

**Transmit** – means to send by means of the United States mail, courier or other hand delivery, facsimile, electronic mail, or electronic submission.

## MEMBER APPEALS

Information for providers seeking to represent a member in the member’s appeal of an adverse benefit determination is located in Chapter III.

## PROVIDER APPEALS

### Non-State Operated Provider

The following procedures will be available to all non-state operated providers when an adverse action is taken that affords appeal rights to providers.

If the provider chooses to exercise available appeal rights, a request for reconsideration must be submitted if the action involves a DMAS claim under the EAPG payment methodology or involves a ClaimCheck denial. The request for reconsideration and all supporting documentation must be submitted within 30 days of the receipt of written notification of the underpayment, overpayment, and/or denial to the attention of the Program Operations Division at the following address:

Program Operations Division

Department of Medical Assistance Services

600 East Broad Street,

Richmond, Virginia 23219

DMAS will review the documentation submitted and issue a written response to the provider’s request for reconsideration. If the adverse decision is upheld, in whole or part, as a result of the reconsideration process, the provider may then appeal that decision to the DMAS Appeals Division, as set forth below.

Internal appeal rights with a managed care organization (“MCO”) must also be exhausted prior to appealing to DMAS if the individual is enrolled with DMAS through a Virginia Medicaid MCO.

For services that have been rendered and applicable reconsideration or MCO internal appeal rights have been exhausted, providers have the right to appeal adverse actions to DMAS.

Provider appeals to DMAS will be conducted in accordance with the requirements set forth in the Code of Virginia § 2.2-4000 *et. seq.* and the Virginia Administrative Code 12 VAC 30-20-500 *et. seq.*

Provider appeals to DMAS must be submitted in writing and **within 30 calendar days** of the provider’s receipt of the DMAS adverse action or final reconsideration/MCO internal appeal decision. However, provider appeals of a termination of the DMAS provider agreement that was based on the provider’s conviction of a felony must be appealed **within 15 calendar days** of the provider’s receipt of the DMAS adverse action. The provider’s notice of informal appeal is considered filed when it is date stamped by the DMAS Appeals Division. The notice must identify the issues from the action being appealed. Failure to file a written notice of informal appeal within the prescribed timeframe will result in an administrative dismissal of the appeal.

The appeal must be filed with the DMAS Appeals Division through one of the following methods:

- Through the Appeals Information Management System (“AIMS”) at <https://www.dmas.virginia.gov/appeals/>. From there you can fill out an informal appeal request, submit documentation, and follow the process of your appeal.
- Through mail, email, or fax. You can download a Medicaid Provider Appeal Request form at <https://www.dmas.virginia.gov/appeals/>. You can use that form or a letter to file the informal appeal. The appeal request must identify the issues being appealed. The request can be submitted by:
  - o Mail or delivery to: Appeals Division, Department of Medical Assistance Services, 600 E. Broad Street, Richmond, VA 23219;
  - o Email to [appeals@dmas.virginia.gov](mailto:appeals@dmas.virginia.gov); or
  - o Fax to (804) 452-5454.

The Department of Medical Assistance Services normal business hours are from 8:00 a.m. to 5:00 p.m. Eastern time. Any documentation or correspondence submitted to the DMAS Appeals Division after 5:00 p.m. will be date stamped on the next day the Department is officially open. Any document that is filed with the DMAS Appeals Division after 5:00 p.m. on the deadline date will be untimely.

Any provider appealing a DMAS informal appeal decision must file a written notice of formal appeal with the DMAS Appeals Division **within 30 calendar days** of the provider’s receipt of the DMAS informal appeal decision. The notice of formal appeal must identify each adjustment, patient, service date, or other disputed matter that the provider is appealing. Failure to file a written notice of formal appeal within 30 calendar days of receipt of the informal appeal decision will result in dismissal of the appeal. The notice of appeal must be transmitted through the same methods listed above for informal appeals.

The provider may appeal the formal appeal decision to the appropriate circuit court in accordance with the APA at the Code of Virginia § 2.2-4025, *et. seq.* and the Rules of Court.

The provider may not bill the member for covered services that have been provided and subsequently denied by DMAS.

#### Repayment of Identified Overpayments

Pursuant to § 32.1-325.1 of the *Code of Virginia*, DMAS is required to collect identified overpayments. Repayment must be made upon demand unless a repayment schedule is agreed to by DMAS. When lump sum cash payment is not made, interest shall be added on the declining balance at the statutory rate, pursuant to the *Code of Virginia*, § 32.1-313.1. Repayment and interest will not apply pending the administrative appeal. Repayment schedules must ensure full repayment within 12 months unless the provider demonstrates, to the satisfaction of DMAS, a financial hardship warranting extended repayment terms.

#### **State-Operated Provider**

The following procedures will be available to state-operated providers when DMAS takes adverse action which includes termination or suspension of the provider agreement or denial of payment for services rendered. State-operated provider means a provider of Medicaid services that is enrolled in the Medicaid program and operated by the Commonwealth of Virginia.

A state-operated provider has the right to request a reconsideration of any issue that would be otherwise administratively appealable under the State Plan by a non-state operated provider. This is the sole procedure available to state-operated providers.

The reconsideration process will consist of three phases: an informal review by the Division Director, a further review by the DMAS Agency Director, and a Secretarial review. First, the state-operated provider must submit to the appropriate DMAS Division Director written information specifying the nature of the dispute and the relief sought. This request must be received by DMAS within 30 calendar days after the provider receives a Notice of Program Reimbursement (NPR), notice of proposed action, findings letter, or other DMAS notice giving rise to a dispute. If a reimbursement adjustment is sought, the written information must include the nature of the adjustment sought, the amount of the adjustment sought and the reason(s) for seeking the adjustment. The Division Director or his/her designee will review this information, requesting additional information as necessary. If either party so requests, an informal meeting may be arranged to discuss a resolution.

Any designee shall then recommend to the Division Director whether relief is appropriate in accordance with applicable laws and regulations. The Division Director shall consider any recommendation of his/her designee and render a decision.

The second step permits a state-operated provider to request, within 30 days after receipt of the Division Director's decision, that the DMAS Agency Director or his/her designee review the Decision of the Division Director. The DMAS Agency Director has the authority to take whatever measures he/she deems appropriate to resolve the dispute.

The third step, where the preceding steps do not resolve the dispute to the satisfaction of the state-

operated provider, permits the provider to request, within 30 days after receipt of the DMAS Agency Director's Decision, that the DMAS Agency Director refer the matter to the Secretary of Health and Human Resources and any other Cabinet Secretary, as appropriate. Any determination by such Secretary or Secretaries shall be final.

## **Client Appeals**

**For client appeals information, see Chapter III of the Provider Manual.**

## **Medicaid Program Information**

Federal regulations governing program operations require Virginia Medicaid to supply program information to all providers. The current system for distributing this information is keyed to the provider number on the enrollment file, which means that each assigned provider receives program information.

A provider may not wish to receive provider manuals or Medicaid memoranda because he or she has access to the publications as a part of a group practice. To suppress the receipt of this information, the Provider Enrollment Unit requires the provider to complete the Mail Suppression Form and return it to:

Virginia Medicaid -PES

P.O. Box 26803

Richmond, Virginia 23261-6803

Upon receipt of the completed form, PES will process it and the provider named on the form will no longer receive publications from DMAS. To resume the mailings, a written request sent to the same address is required.
